SUBJECT:- WAR COSTS SURCHARGE.

Dear Sirs/Sir,

I am to refer to your letter

(1)	No.11.B/159-44,	dated the	16th July 1944, and
(2)	-		1st August 1944,*
(3)	-		1st August 1944,*
(4)	-		1st August 1944,*

to state that since you have failed to submit the declaration regarding War Costs Surcharge within the period prescribed by clause 3(1) of the Bombay Electricity Supply (Licensed Undertakings' War Costs) Order, 1944, i.e., by the 15th July 1944, no War Costs Surcharge can be fixed in respect of your undertaking under the provisions of that Order as it stands at present.

2. In pursuance of clause 7 of the Order mentioned above Government Order No.6041/36, dated the 11th March 1943, has been cancelled with effect from the 15th August 1944. No surcharge can therefore be levied by you under Government Order No.6041/36, dated the 11th March 1943, with effect from the 15th August 1944.

Yours faithfully,

G.N.Pandit,
Deputy Secretary to the Government of Bombay,
Public Works Department.

---

p.13

" As required by Government, P.W.D. letter No.6331/36-El, of the 23rd December 1944, we submit herewith a fresh declaration regarding the War-Costs Surcharge in accordance with clause 3(1) of the Bombay Electricity Supply (Licensed undertakings' War Costs) order, 1944, in respect of our three Electrical undertakings i.e. Byadgi, Ranebennur and Haveri;-

(1) We declare that the War Costs surcharge in terms of the above order is desirable in the case of our above concerns and also declare the rate of War Costs surcharge of atleast 40% is deemed desirable.

(2) The relevant calculations in respect of the three concerns showing how the rates have been arrived at are enclosed.

(3) We certify that the aforesaid calculations are correct to the best of our knowledge and ~~belief~~ belief.

(4) We consider that Government should waive the excution of the undertakings set out in the second schedule to the order for the reasons that out respective concerns being too small for being assessed to excess profit tax having regard to their financial position which can be readily ascertained by reference to the Audit report on the accounts of respective concerns last Audited.

It is requested that very early issue fixing the War costs Surcharge in the case of our undertakings may please be issued.

Original in 7042/36.

To,

Dated 4th June, 1945.

The Deputy Secretary to Government,
P.W.D. Bombay.

Subject :- Byadgi Electric License War Costs Surcharge.

Sir,

f 23

Referring to your letter No.7043/36 EL dated the 8th inst., we have to inform you that since our Byadgi undertaking commenced it's operation from 22-10-38 we had calculated the g figures of maintenance materials cost for 1938-39 on the basis of estimated figures. The details as to how the gk figures referred to in your letter were worked out are given below :-

(1) The restriction was actually served on our undertaking on 11-9-42 from which date the supply was accordingly restricted. As the restriction was thus imposed in the stage of infancy of the undertaking, in working out the anticipated loss in 1944-45, on a/c of these restrictions we had to take into consideration the anticipated load which we would have secured without effort or canvassing. The No. of units sold in the year 1941-42 i.e., prior to restriction was 26246 & that in 1943-44 was 18382. Thus there was a fall in the sale of units of 7864. We have therefore assumed having registered to the securable load, that the units actually fallen short is 8150 & therefore the cost as.6/- per unit comes to Rs. 3056/-.

As regards the amount of Rs.1750/- our revenue from the electric supply during 1943-44 was Rs.6468-8-3 against the revenue realised in 1941-42 viz., Rs.7776-14-6 & thus the difference of Rs.1307-6-3 represents the actual fall in revenue as a result of restriction. Adding Rs. 450/- as the revenue which would have been realised on a/c of new connections the total x loss works out approximately at Rs.1750/-.

(11) The maintenance materials cost per unit viz., .047 during the year 1938-39 has been taken from the accounts for the year 1939-40 as the cos of repairs & maintenance in that year was Rs.96-3-0 & the No. of units generated was 32944. This cost of maintenance materials represents the actual cost of maintenance materials & it is negligible as the undertaki -g had only commenced its operation in that year.

Similarly the cost of maintenance materials viz., 0-823 anna per unit during the year 1943-44 is exactly as given in the accounts for the year concerned.

We hope the above information would adiquately serve your purpose If however any further details be considered necessary, we would be glad to supply the same on hearing further from you.

Yours faithfully,

V.R. Desai
Manager

MANVI BROTHERS.

Electric Light & Power Suppliers. GADAG.

Dist:- DHARWAR.

Head office :- GADAG. *Branches:-* RANEBENNUR & BYADGI.

Date 194

I, Sidramappa Andanappa Manvi, Proprietor of Messrs Manvi Brothers and Licensee, the Byadgi Electric License, 1937 Hereby declare:-

(a) that if at any time my undertaking is assessed to Excess profits Tax in any chargeable accounting period ending subsequent to the date of War Cost Surcharge is fixed first fixed under the Bombay Electricity Supply(Licensed Undertakings' War Costs) Order, 1944, then the amount of the Excess Profit, after deduction of Taxation due thereon, will be recorded and I will specially reduce the charges for the supply of energy so as to result in an estimated reduction of gross revenue by an approximately equivalent amount during the next succeeding two Accounting Periods following upon the completion of the relative assessment.

Alternatively, if the Government and I agree that such a special reduction of the charges for the supply of energy would, on account of other factors, result only in a temporary variation, or that the reduction would be negligible, the recorded amount will be placed by me to a reserve to be called the "Rates Stabilisation Reserve" and this reserve will be taken fully and fairly into account in determining the magnitude of any subsequent revision of War Cost Surcharges or charges for supply of energy whether upwards or downwards.

(b) that if at any time during the enforcement of the taxation provisions of the Execess Profits Tax Act, 1940, my undertaking in any accounting Period ending subsequent to the date of War Cost Surcharge is first fixed under the aforesaid Order, earns profits exceeding 7 per cent of the average amount of Capital employed in the business during the period, then the amount of the excess, after deducting any smaller amount recorded or set aside to Reserve in terms of clause (a) of this Undertaking and the taxation due on such excess, will be taken into account to reduce the charges for supply of energy or be set to the " Rates Stabilisation Reserve " in the same manner and on the same terms as are set out in the said Clause (a).

6-9-45

Copy of L.e. 530 of 1945-46 dated 4th March 1946 from the Vice President Byadgi Municipality.

"I have the honour to state that, Government in their No.6041/3 & El.P.W.D. dated 31-8-1943, has authorised the Proprietor of Electric Light and Power Suppliers to levy surcharge at the rate of 1/3 rd of the normal rates on account of the abnormal rise in the rates of wire, bulbs and other accessories that were required to create electric energy due to War. Now the war is subsided as the enimies of the Allied Nations surrendered. Though about six months have been elapsed and though the ban on many of the articles controlled by Government has been raised, the levy of Surcharge on the Supply of Electric Energy has not as yet been stopped and the restrictions of hours of supply of Electric Energy have not been removed and hence the necessity of Electric Lights throughout the whole of the night has been keenly felt by the public of Byadgi as well as to the Municipality for street lighting.

Hence you are requested to consider this matter and if you deem fit, kindly recommend to the Government to cancel the levy of Surcharge and to remove the restriction of hours of supply as early as possible.

No.PL.L.S.R.687.
Dharwar, 20th March 1946

Copy forwarded with compliments to the Dy. Secretary to the Govt. of Bombay P.W.D., Bombay, for favour of disposal.

P. W. D.

El.Br.(I).

In its letter within to the Dist.Magistrate, Dharwar, the Byadgi Muny. requests Govt. ~~to~~ -

(a) to cancel the w.c.s. sanctioned in ~~xxxxxxx~~ respect of the Licensee, the Byadgi El. License, 1937,

and

(b) to remove the restrictions of the hours of supply of el. energy at Byadgi.

2. With ref.to (a) above it may be stated that under G.O.No.6331/36, dated the 29-1-45, a 33⅓% rate of war costs surcharge was sanctioned in respect of the Byadgi undertaking. The E.O.A. was then requested to verify the calculations submitted by the licensee and state whether any revision in the w.c.s. granted was necy. He opined that the claim of the licensee for w.c.s. at the rate of 40% appeared justifiable-vide his u.o.r. dated 28-7-45 on p.30. The El.Engr.to Govt., however, remarked that the 33⅓% rate of w.c.s. may be continued -vide his u.o.r. dated the 31-7-45 on p.31 ante. It was decided to permit the licensee to continue levying 33⅓% of w.c.s. which is being levied even now, and this seems to be unavoidable for the present.

3. Recently, the President, Bagalkot Muncy., enquired when the w.c.s. sanctioned in respect of the Bagalkot undertaking would be withdrawn and he was informed that the surcharge in question was unavoidable for the present-vide G.L.No.6331/36-El.(I), dated the 23-3-46. If approved, the Byadgi Muncy. may also be replied to in somewhat similar terms.

Bl. II 30-1-41

Extract for Public Works Department.

Item No. 10-The Generation of of Electric Power and its distribution.

Messrs. Manvi Brothers of Gadag have obtained License from Government for the supply of Electric Energy at Byadgi and they are maintaining Electric Power house for the last 8 years. Electric Energy is being supplied to the consumers within the Municipal area at Byadgi as also to the Byadgi Municipality for the purpose of street lighting. According to the restrictions laid down by Government, under the Defence of India Rules, the hours of supply of Electric Energy for the town of Byadgi have been restricted ~~xxxxxxxxxxxxxxxxxxxxxxxxxxxx~~ from 6-30 p.m. to 12-30 A.M. and after that there is no supply of Electric Energy. Hence the consumers are greatly inconvenienced. This Municipality requested the proper Authorities, but the ban on the hours of supply has not been lifted. Byadgi is a commercial place and the supply of Electric Energy through the whole night is a great necessity, as during major portion of the year there is traffic carts through-out the whole night. Hence in the interest of the smooth traffic and to the convenience of the Merchants and the general public including labour class of people, early arrangements may please be made to supply Electric Energy through-out the whole night.

(ii) Under the Defence of India Rules, Government have authorised the Proprietors of Electric Companies to levy Surcharge at the rate of 33⅓ percent on account of the abnormal rise in the rates of all the requirements for creating Electric Energy due to War. Now though nearly more than a year and half have elapsed since the date of the end of the Great War and though the cost of creating energy has been considerably reduced and though the costs of maintenance and repairs to machinery and other requirements have been considerably reduced, the levy of surcharge has not been abolished and consequently not only the cost of lighting has become very heavy, but also the benefit of Electric light could not be taken by many people on account of high rate for the supply of Electric Energy. Hence it is requested that due consideration of this point should be made in the conference and early attempts may please be made to abolish the surcharge.

(iii) As soon as the Hydro Electric Energy of the Jog Falls is made available, arrangements may please be made to inform all the Electric Companies in Karnatak to take that energy and supply it to the consumers at cheaper rates, in proportion to the rate that is charged to the companies by the Hydro Electric Company of Jog Falls.

UTILISATION OF JOG POWER.

In consideration of the consent given by the Government of Bombay to the Government of Mysore for the electrical development of water fall at Jog, the latter Government has agreed to sell to Bombay Government electric power up to 5000 H.P. (about 3,730 kWs.) at Jog on reasonable terms to be mutually agreed upon.

The problem of making the electric supply available at an economic price in the southern part of the Province, based on purchase of power from the Mysore Government, is under active consideration, and a further Press Note will be issued as soon as any definite conclusion is reached.

To

The President,
The Byadgi Muny.,
Byadgi (District Dharwar).

Subject:-W.C.S., hours of supply etc.,
at Byadgi.

Dear Sir,

With reference to the following requests made in the address presented by you to the Honourable the Prime Minister on 28-9-46 and your petition dated the 31st. Dec. 1946, ~~October 1946, addressed to Honourable Minister for Reconstruction~~ I am to state as in the subsequent paras:-

I submitted to Govt in the R.C.D.

(a) The existing W.C.S. at Byadgi may be abolished,

(b) Ely. produced at Jog Falls may be made available to the Dharwar District,

(c) The restrictions on the hours of supply of el. energy at Byadgi may be removed.

2. Para.1(a):- The circumstances which necessitated the levy of W.C.S. during the war, ~~time~~, still continue to exist more or less. The surcharge is, therefore, unavoidable for the present. The position regarding the W.C.S. at Byadgi will, however, be reviewed while examining the annual statement of the accounts of the Byadgi El. License, 1937, for the year 1945-46 and necessary reduction in the rate of surcharge will be effected, if justified.

3. Para.1(b):- In this connection, your attention is invited to Govt.Press Note No.P-1182, dated the 8th October 1946, a copy of which is enclosed for your information.

4. Para.1(c):- The restrictions on the hours of supply by the Byadgi El.Supply Co. have since been removed ⊗ The Co. has, however, requested Govt. to allow it to continue to give supply as at present since its load position is not good and it is also difficult for it to obtain spare parts. The general question re: the hours of supply of electric energy by various undertakings in this

Bombay Castle, 11th December 1947.

From

The Deputy Secretary to the Government of Bombay,
Health and Local Government Department.

To

The President, Byadgi Municipality,
Byadgi, District Dharwar.

Subject:- Address
Presented to the Hon'ble Prime
Minister by Byadgi Municipality.

Sir,

With reference to the address presented to the Hon'ble Prime Minister on 29th September 1946, by the Byadgi Municipality, I am directed to inform you that the position with regard to the several requests made therein is as under :-

(i) Increase in the Grant-in-aid for local hospital

I forward a copy of the Surgeon General's letter No. 47-C, dated 4th October 1947. Government agrees with the Surgeon General that no discriminatory treatment can be accorded to the Byadgi Municipality in this connection, and it hopes that the suggestion made by the Surgeon General to charge well-to-do patients will be acted upon by the Municipality.

(ii) Grant-in-aid for the construction of a high school building:- I forward a copy of the Director of Public Instruction's letter No. S.112/94-C of 23rd April 1947. Government agrees with the Director of Public Instruction that there are no special reasons why a grant at a higher rate than the usual one viz. 1/4th of the cost should be paid to the Municipality. The Municipality should submit its application for grant to the Director after the building is completed.

(iii) Loan for drainage scheme:- Ordinarily no loans are granted to municipalities from the Provincial revenues. The question whether the rate of interest at which the loan should be raised should be 3% or higher will depend on the condition of the money market when the loan is sanctioned.

(iv) Grant-in-aid for water supply schemes:- The Municipality is entitled to a grant-in-aid equal to 50% of the cost of the scheme. The request for a grant-in-aid equal to 2/3rds of the cost cannot be granted.

(v) Grant-in-aid towards expenditure on payment of dearness allowance to municipal staff:- The Municipality will get a grant-in-aid equal to 50% of the expenditure incurred by it on the payment of dearness allowance to its sanitary staff during the year 1946-47.

As regards other requests made in the addr-
-ly, opening of a veterinary dispensary, f-
-separate province of Karnatak, formi-

new taluka, and opening of an agricultural college at Dharwar, and supply of electricity, the Reconstruction Department, Political and Services Department and Public Works Department to which the relevant extracts have been forwarded will give the necessary reply.

Your obedient servant,

Sd/- K.B. Kamath

Deputy Secretary to the Government of Bombay,
Health & Local Government Department.

No. S.101/29806/A. Bombay Castle, 11th December 47

Copy Forwarded to:-

the Reconstruction Department,
the Public Works Department,
the Political & Services Department,
the Surgeon General with the Government of Bombay,
the Director of Public Instruction,

with reference to this Department Endorsement, No. S.101/29208/A, dated the 27th January 1947.

By Order of the Governor of Bombay,

For Deputy Secretary to the Government of Bombay,
Health & Local Government Department.

El. Br.

P. W. D.

Necy. action with refce. to "A" overleaf has already been taken — vide, G.L. No. 7043/36-El.c I 55-56 / I 53-54 d. the 25-2-47, and the notes underlying it.

Record.

183
3-1-48 G.D. (now H.L. G.D.)

Has already got a copy of our letter dated 25-2-47. S-A-S.
So what is the point in saying "will give the necy. reply" so far as the P.W.D. is concerned? Will not the Secy. be waiting for a reply from us? B

Dno 6/1/48

Mr B 6/1
